### Land Surveyor Examination Prep Class

The Land Surveyor Section of the APELSCIDLA Board has entered into a partnership with the Virginia Association of Surveyors and the Virginia Community College System to create a preparatory class for the Land Surveyor examination.

The class will include a review of arithmetic and measurement, weights, and measures, geometry, dimensional equations, basic algebra, trigonometry, analytic geometry for surveyors, basic statistics, and test-taking strategies, academic areas in which candidates have historically performed poorly on the Land Surveyor exam:

The class will be offered in the spring semester to prepare for the April 2005 examination administration at three community colleges in Virginia. Please contact the following community colleges for fees and registration:

Continuing Education and Workforce Development  
Northern Virginia Community College-Alexandria Campus  
3001 N. Beauregard Street  
Alexandria, VA 22311-5097  
(703) 845-6240 or (703) 845-6280
